

Cold Rolled Stainless Steel Sheet Plate ST12 Q345e Low Temperature Resistant

Our Product Introduction

for more products please visit us on metalsstainless-steel.com

Basic Information

- Place of Origin: china
- Brand Name: ShengQuan
- Certification: ISO9001:2000
- Model Number: 201/304/304L/316/316L/321/309/310/32750/32760/90
- Minimum Order Quantity: 1ton
- Price: USD1500-USD6000
- Packaging Details: Standard Export Sea-Worthy Packing
- Delivery Time: 5-15days
- Payment Terms: L/C, T/T, Western Union
- Supply Ability: 15000Tons

Product Specification

- Application: Construction,Kitchenware,Decoration,chemic
- Width: Or As Required
- Type: Plate,Coil,stainless Steel Sheet
- Standard: ASTM,JIS,AISI,EN,GB
- Length: Customer's Request
- Thickness: 0.3mm-120mm,0.18-1.5mm,0.2-60mm,0.45-5mm,0.01-200mm
- Highlight: **stainless steel flat sheet,
stainless steel flat plate, stainless flat plate**

Product Description

Cold Rolled Stainless Steel Sheet Plate ST12 Q345e Low Temperature Resistant

Common Uses of the Stainless Steel Plate

Many people who are not in the steel industry think that all steel is just the same, but that's far from the truth. Steel is an alloy metal that is made up of iron and carbon plus other trace elements. It's extremely strong and relatively inexpensive to produce, so it's no wonder that it's one of the most commonly used metals in manufacturing companies.

But as hinted above, there are different types of steel, all with their own set of unique characteristics. For instance, carbon steel is preferred by most companies over other types of steel. Why? What is carbon steel? More importantly, is it the right choice for your company.

Product Name	Steel sheets/plate
Thickness	5mm-450mm
Width	50mm-1500mm or as required
Length	3000mm, 6000mm or as required
Standard	ASTM A36/A36M-03a
Technique	Hot rolled
Surface Treatment	According to customer's requirement
Thickness Tolerance	±0.01mm~ ±0.05mm
Material	A36
Application	It is suitable for riveting, bolting and welding structures for bridges and buildings, as well as general-purpose structural steel, carbon steel, section steel, steel plate and bar steel.
MOQ	1 ton , We can accept sample order.
Shipment Time	Within 15-20 workdays after receiving deposit or workable L/C
Export Packing	Waterproof paper, and steel strip packed. Standard Export Seaworthy Package. Suit for all kinds of transport, or as required
Capacity	250,000 tons/year

Chemical Composition :

C	Si	Mn	P	S	Cu (When copper containing is specified)
≤%	≤%	%	≤%	≤%	≥%
0.25	0.4	0.80-1.20	0.04	0.05	0.2

Physical Properties :

ensile strength	400-550MPa
Yield strength	≥250MPa
Elongation	20%

Packing & Delivery

1. Who are we?

We are based in wuxi, China, start from 2021, sell to Mid East(35.00%), South America(20.00%), Southeast Asia(20.00%), Africa(5.00%), Eastern Asia(5.00%), Northern Europe(5.00%), Southern Europe(5.00%), South Asia(5.00%). There are total about 51-100 people in our office.

2. How can we guarantee quality?

Always a pre-production sample before mass production;
Always final Inspection before shipment;

3. What can you buy from us?

steel sheet coil, ppgi ppgl, galvanized steel coil, aluminum steel coil sheet, stainless steel

4. Why should you buy from us not from other suppliers?

Integrating the superior resources of China's steel industry, we provide customers with high-quality steel products at preferential prices, and can ensure that the goods are delivered to customers in a timely manner.

5. What services can we provide?

Accepted Delivery Terms: FOB, CFR, CIF, EXW, FCA, DDP, DDU, Express Delivery

Accepted Payment Currency: USD, EUR, CNY;

Accepted Payment Type: T/T, L/C, Credit Card, Weste
