

Decorative Stainless Steel Bars For Cold Heading Strong Corrosion Resistance And Multiple Shapes

Our Product Introduction

Basic Information

- Place of Origin: china
- Brand Name: Sheng Quan
- Certification: ISO9001:2000
- Model Number: 201/304/304L/316/316L/321/309/310
- Minimum Order Quantity: 1ton
- Price: USD1500-USD6000
- Packaging Details: Standard Export Sea-Worthy Packing
- Delivery Time: 5-15days
- Payment Terms: L/C, T/T, Western Union
- Supply Ability: 15000Tons

Product Specification

- Special Use: Cold Heading Steel
- Dimensions: From 4mm To 500mm
- Processing Service: Bending, Cutting
- Advantages: Strong Corrosion And Decorative Effect
- Type: Round, Square, Flat, Angle,
- Grade: Stainless Steel Bar
- Trading Terms: FOB CIF CFR EXW Ect
- Thickness Tolerance: ± 0.01 mm
- Highlight: **Cold Heading Decorative Stainless Steel Bars,
Multiple Shapes Decorative Stainless Steel Bars**
,
**Corrosion Resistance Decorative Stainless
Steel Bars**

Product Description

Product Description:

Our Stainless Steel Rods are versatile and can be used in a wide range of applications. They are ideal for use in construction, engineering, and manufacturing industries. These rods can withstand high temperatures and are resistant to corrosion, making them perfect for use in harsh environments.

We offer a range of processing services for our Stainless Steel Rods, including bending and cutting. This allows us to customize the rods to your specific requirements, ensuring that they are a perfect fit for your project.

Our Stainless Steel Rods are available in different grades, including Stainless Steel Bar and Iron Alloy Rod. These grades are known for their strength and durability, making them ideal for use in heavy-duty applications.

We offer three different types of Stainless Steel Rods: Round, Square, Flat, and Angle. Each type has its unique characteristics and is suitable for different applications. The Round Stainless Steel Bar is the most common type and is used in a wide range of applications, including construction, automotive, and marine industries. The Square Stainless Steel Bar is ideal for use in manufacturing and engineering industries, while the Flat Stainless Steel Bar is perfect for use in decorative applications. Finally, the Angle Stainless Steel Bar is ideal for use in construction projects, where high strength and stability are required.

In conclusion, if you are looking for a durable and long-lasting Stainless Steel Rod for your project, look no further. Our Stainless Steel Rods are available in a range of dimensions and grades, and we offer a variety of processing services to ensure that they meet your specific requirements. With our high-quality Stainless Steel Rods, you can be sure that your project will stand the test of time.

| Product Name | Bright Stainless steel rod | |
| Material | 201 304,304L,309S,310S,316,316L,316Ti,317,317L,321,347H,2021,202,405,409,410,420,430,etc | |
| Type | Round Bar | |
| Surface | Bright Polished | |
| Diameter | Round Bar | Diameter: 3mm~50mm |
| Length | 3m-6m or custom cutting any length as request | |
| Quality test | we can offer MTC (mill test certificate) | |
| MOQ | 300 kgs | |
| Payment terms | L/C T/T (30%DEPOSIT) or upon negotiation | |
| Stock or not | in stock | |
| Packing | Bundled,wooden box for export standard package | |
| Delivery time | 7-15 days,or according to the order quantity or upon negotiation | |

Features:

Product Name: stainless steel rod (SS Rod, Steel Bar, Stainless Steel Bar)

Dimensions: From 4mm To 500mm

Type: Round, Square, Flat, Angle

Thickness Tolerance: ± 0.01 mm

Material: Stainless Steel

Special Use: Cold Heading Steel

Applications:

Sheng Quan Stainless Steel Round Rod, also known as Steel Bar, is a popular product that finds its application in various industries. The

product is available in different models like 201/304/304L/316/316L/321/309/310, and it is manufactured in China with ISO9001:2000 certification. The minimum order quantity for this product is 1 ton, and the price range is between USD1500-USD6000, depending upon the model and quantity ordered.

The Stainless Steel Round Rod is widely used in different applications, including construction, automotive, aerospace, marine, and many others. The product has a strong corrosion and decorative effect, making it an ideal choice for different scenarios. The Steel Bar is available in different shapes, including round, square, flat, and angle, which makes it applicable for various purposes.

The Steel Bar is used in construction for making different structures like bridges, buildings, and other infrastructure projects. The product is also used in the automotive industry for manufacturing different parts like exhaust systems, fuel tanks, and many others. The aerospace industry also uses the Steel Bar for making different components like landing gear, engine parts, and many others.

The Steel Bar is also used in the marine industry for making different parts like propellers, shafts, and many others. The product's strong corrosion resistance makes it an ideal choice for marine applications where it is highly exposed to saltwater and other harsh environmental conditions. The Steel Bar is also used in the food and beverage industry for manufacturing different equipment like tanks, pipes, and many others.

The Steel Bar is available in different trading terms like FOB, CIF, CFR, EXW, and many others, making it easier for customers to choose the best option. The product is also available with processing services like bending and cutting, making it easier for customers to get the product in their desired shape and size. With a supply ability of 15000 tons, Sheng Quan Stainless Steel Round Rod is a reliable product that finds its application in various industries.

The product is packed in standard export sea-worthy packing and can be delivered in 5-15 days. The payment terms for this product include L/C, T/T, and Western Union, making it easier for customers to choose their preferred payment option.

Customization:

Brand Name: Sheng Quan

Model Number: 201/304/304L/316/316L/321/309/310

Place of Origin: China

Certification: ISO9001:2000

Minimum Order Quantity: 1 ton

Price: USD 1500-USD 6000

Packaging Details: Standard Export Sea-Worthy Packing

Delivery Time: 5-15 days

Payment Terms: L/C, T/T, Western Union

Supply Ability: 15000 Tons

Material: Stainless Steel

Thickness Tolerance: ± 0.01 mm

Type: Round, Square, Flat, Angle

Advantages: Strong Corrosion And Decorative Effect

Origin: Jiangsu China(Mainland)

Packing and Shipping:

Product Packaging:

Each stainless steel rod will be individually wrapped in a protective material.

All rods will be placed in a sturdy cardboard box.

The box will be sealed securely to prevent any damage during shipping.

Shipping:

We offer free standard shipping for all orders within the United States.

Orders will be processed and shipped within 1-2 business days.

Customers can expect to receive their order within 3-5 business days.

Expedited shipping options are available for an additional fee.

International shipping is available, but additional fees may apply.
