

Temperature Resistant Stainless Steel Rods Precision Cut Bent 500mm dia

Our Product Introduction

Basic Information

- Place of Origin: china
- Brand Name: Sheng Quan
- Certification: ISO9001:2000
- Model Number: 201/304/304L/316/316L/321/309/310
- Minimum Order Quantity: 1ton
- Price: USD1500-USD6000
- Packaging Details: Standard Export Sea-Worthy Packing
- Delivery Time: 5-15days
- Payment Terms: L/C, T/T, Western Union
- Supply Ability: 15000Tons

Product Specification

- Trading Terms: FOB CIF CFR EXW Ect
- Processing Service: Bending, Cutting
- Dimensions: From 4mm To 500mm
- Material: Stainless Steel
- Type: Round, Square, Flat, Angle,
- Temperature Resistance: High
- Special Use: Cold Heading Steel
- Dimension: 20*20*3mm-100*100*12mm
- Highlight: Precision Cut Stainless Steel rod,
Temperature Resistant Stainless Steel rod,
500mm dia Stainless Steel rod

Product Description

Product Description:

Our Stainless Steel Round Bar is available in a range of sizes starting from 4mm to 500mm, making it suitable for a wide range of applications. The thickness tolerance of our steel bar is $\pm 0.01\text{mm}$, ensuring that it meets your exact requirements. Our Stainless Steel Bar is specially designed for use in cold heading, a process where the steel is formed into various shapes and sizes. This makes it ideal for use in the construction of various industrial and commercial products. One of the key advantages of our Stainless Steel Bar is its strong corrosion and decorative effect. This makes it suitable for use in a wide range of applications, including architectural, automotive, and industrial applications. Our Stainless Steel Bar is made from the highest quality materials, ensuring that it meets the highest quality standards. Our steel bar is manufactured using the latest technology and equipment, ensuring that it is of the highest quality. Whether you are looking for a Stainless Steel Bar for your industrial or commercial application, our Steel Bar is the perfect choice. With its excellent strength, durability, and resistance to corrosion, our Steel Bar is the ideal solution for your needs.

Product Name	Bright Stainless steel rod	
Material	201 304,304L,309S,310S,316,316L,316Ti,317,317L,321,347H,2021,202,405,409,410,420,430,etc	
Type	Round Bar	
Surface	Bright Polished	
Diameter	Round Bar	Diameter: 3mm~50mm
Length	3m-6m or custom cutting any length as request	
Quality test	we can offer MTC (mill test certificate)	
MOQ	300 kgs	
Payment terms	L/C T/T (30%DEPOSIT) or upon negotiation	
Stock or not	in stock	
Packing	Bundled,wooden box for export standard package	
Delivery time	7-15 days,or according to the order quantity or upon negotiation	

Features:

Product Name: Stainless Steel Round Bar
Also Known As: SS Rod, Stainless Steel Round Bar
Material: Stainless Steel
Temperature Resistance: High
Dimensions: From 4mm To 500mm

Special Use: Cold Heading Steel
Trading Terms: FOB, CIF, CFR, EXW, etc.

Applications:

The Sheng Quan Stainless Steel Rod is a versatile product that can be used in various applications. Its material is stainless steel and it comes in different types such as round, square, flat, and angle. Its dimensions range from 20*20*3mm to 100*100*12mm. The grade of the stainless steel bar is high, making it durable and long-lasting.

The Steel Round Rod can be used in a variety of occasions and scenarios. It is perfect for use in the construction industry, where it is used for structural purposes, such as for building frames, railings, and supports. It is also used in the manufacturing industry for making machinery parts and equipment. The SS Rod is also used in the automotive industry for making vehicle parts such as exhaust systems and chassis.

The Steel Round Rod is also a popular choice for use in the marine industry, where it is used for building boats and ships. Its durability and resistance to corrosion make it a reliable choice for use in marine environments. The SS Rod is also used in the food and beverage industry for making equipment such as tanks, pipes, and fittings.

In conclusion, the Sheng Quan Stainless Steel Rod is a high-quality product that is versatile and can be used in various occasions and scenarios. Its durability, strength, and resistance to corrosion make it a reliable choice for use in different industries. Its availability in different models, types, and dimensions makes it a flexible option that can cater to different needs.

Customization:

Brand Name: Sheng Quan
Model Number: 201/304/304L/316/316L/321/309/310
Place of Origin: China
Certification: ISO9001:2000
Minimum Order Quantity: 1 ton
Price: USD1500-USD6000
Packaging Details: Standard Export Sea-Worthy Packing
Delivery Time: 5-15 days
