

## Customized Length Cold Rolled Stainless Steel Coil For Bending

Our Product Introduction

For more products please visit us on [metalsstainless-steel.com](http://metalsstainless-steel.com)

### Basic Information

- Place of Origin: China
- Brand Name: Sheng Quan
- Certification: ISO9001:2000
- Model Number: 201/304/304L/316/316L/321/309/310
- Minimum Order Quantity: 1ton
- Price: USD1500-USD6000
- Packaging Details: Standard Export Sea-Worthy Packing
- Delivery Time: 5-15days
- Payment Terms: L/C, T/T, Western Union
- Supply Ability: 15000Tons

### Product Specification

- Hardness: Soft, 1/4 Hard, 1/2 Hard, 3/4 Hard, Full Hard
- Length: Customized
- Quality: High Quality Inspection
- Processing: Cold Rolled/Hot Rolled
- Width: 1000mm-2000mm
- Payment Term: 30%T/T Advance + 70% Balance
- Packing: Standard Export Packing Or As Required
- Physical Properties: Good Ductility For Molding Products
- Highlight: **Bending Stainless Steel coil,  
Cold Rolled Stainless Steel coil,  
Customized Length Stainless Steel coil**

### Product Description:

Our Stainless Steel Sheet Coil has excellent physical properties, making it highly ductile for molding products. With its cold rolled/hot rolled processing, our Coil boasts of top-quality, with the ability to withstand even tough environments. The Coil's width ranges from 1000mm-2000mm, giving our clients the flexibility to choose the width that best suits their needs.

Our Stainless Steel Sheet Coil is a versatile product, boasting of various applications in different industries. Its durability and corrosion resistance make it ideal for use in harsh environments, such as the marine industry, construction, and automotive industry.

Our Stainless Steel Sheet Coil comes in a range of colors, including the Color Coated Steel Coil, giving our clients the flexibility to choose the color that best suits their needs. With our top-of-the-line production process, we guarantee that our colors are of the highest quality, and our clients can expect nothing but the best.

Our 410 Stainless Steel Coil is a top-quality product that meets the highest standards in the industry. With our extensive processing services, we ensure that our clients get the exact product they are looking for, customized to their needs. Whether it's for use in harsh environments or for molding products, our Stainless Steel Sheet Coil is the perfect solution for all your needs.

### Features:

Product Name: Stainless Steel Sheet Coil  
Rolling Width: 15m, 20m  
Hardness: Soft, 1/4 Hard, 1/2 Hard, 3/4 Hard, Full Hard  
Standard: ASTM, AISI, JIS, DIN  
Width: 1000mm-2000mm  
Packing: Standard Export Packing Or As Required  
301 Stainless Steel Coil  
304 Stainless Steel Coil  
316 Stainless Steel Coil

### Applications:

The minimum order quantity for this product is 1 ton, and the price ranges from USD1500-USD6000. Standard Export Sea-Worthy Packing is used for packaging, ensuring the product arrives at its destination in good condition. Delivery time ranges from 5-15 days, and payment terms include L/C, T/T, and Western Union. The supply ability is 15000Tons, making it a reliable choice for businesses with high demand.

The Stainless Steel Sheet Coil can be processed as either Cold Rolled or Hot Rolled, depending on the customer's preference. Standard Export Packing is used for packaging, but customers can also request customized packaging if needed. The length of the coil can also be customized to fit specific needs.

One of the applications for this product is in the manufacturing of kitchenware and tableware. The 410 Stainless Steel Coil is a popular choice for this purpose due to its high strength and corrosion resistance. Additionally, the 301 Stainless Steel Coil can be used for

utensils, cookware, and other kitchen appliances due to its excellent strength and durability.

Another application for this product is in the construction industry. The Stainless Steel Sheet Coil can be used for roofing, siding, and wall panels due to its high strength and resistance to corrosion. The 304 Stainless Steel Coil is a popular choice for this purpose due to its excellent corrosion resistance and aesthetic appeal.

Overall, the Stainless Steel Sheet Coil is a versatile product that can be used in various applications. With its high quality, customizable features, and various models available, it is a reliable choice for businesses looking for a durable and long-lasting product.

## Customization:

Brand Name: Sheng Quan

Model Number: 201/304/304L/316/316L/321/309/310

Place of Origin: China

Certification: ISO9001:2000

Minimum Order Quantity: 1 ton

Price: USD 1500-USD 6000

Packaging Details: Standard Export Sea-Worthy Packing

Delivery Time: 5-15 days

Payment Terms: L/C, T/T, Western Union

Supply Ability: 15000 Tons

Physical Properties: Good Ductility For Molding Products

Processing: Cold Rolled/Hot Rolled

Payment Term: 30% T/T Advance + 70% Balance

Standard: ASTM, AISI, JIS, DIN

Width: 1000mm-2000mm

We offer customization services for our Stainless Steel Sheet Coil products, including Cold Rolled Stainless Steel coil, Color Coated Steel Coil, and Hot Rolled Stainless Steel Coil. Our products are high-quality, with ISO9001:2000 certification, and have a minimum order quantity of 1 ton. We offer competitive prices between USD 1500-USD 6000 and supply a maximum of 15000 Tons. We accept payment terms of L/C, T/T, and Western Union, with a payment term of 30% T/T Advance + 70% Balance. Our products are widely used in different industries and have good ductility for molding products. We process our products using Cold Rolled/Hot Rolled techniques and adhere to ASTM, AISI, JIS, and DIN standards. Our products are available in widths ranging from 1000mm-2000mm to fit your specific needs.

## FAQ:

**Q1: What is the brand name of this Stainless Steel Sheet Coil?**

A1: The brand name of this product is Sheng Quan.

**Q2: What is the model number of this product?**

A2: The model number of this product includes 201, 304, 304L, 316, 316L, 321, 309, and 310.

**Q3: Where is this product manufactured?**

A3: This product is manufactured in China.

**Q4: What certifications does this product have?**

A4: This product is certified with ISO9001:2000.

**Q5: What is the minimum order quantity for this product?**

A5: The minimum order quantity for this product is 1 ton.

**Q6: What is the price range for this product?**

A6: The price range for this product is between USD1500 to USD6000.

**Q7: How is this product packaged for shipping?**

A7: This product is packaged using standard export sea-worthy packing.

**Q8: What is the estimated delivery time for this product?**

A8: The estimated delivery time for this product is between 5 to 15 days.

**Q9: What are the payment terms for this product?**

A9: The payment terms for this product include L/C, T/T, and Western Union.

**Q10: What is the supply ability for this product?**

A10: The supply ability for this product is 15000 tons.
