

Moldable Hot Rolled Stainless Steel Coil with ASTM / AISI Standards

Our Product Introduction

Basic Information

- Place of Origin: China
- Brand Name: Sheng Quan
- Certification: ISO9001:2000
- Model Number: 201/304/304L/316/316L/321/309/310
- Minimum Order Quantity: 1ton
- Price: USD1500-USD6000
- Packaging Details: Standard Export Sea-Worthy Packing
- Delivery Time: 5-15days
- Payment Terms: L/C, T/T, Western Union
- Supply Ability: 15000Tons

Product Specification

- Keyword: Hot Rolled Stainless Steel Coil
- Standard: ASTM, AISI, JIS, DIN
- Physical Properties: Good Ductility For Molding Products
- Packing: Standard Export Packing Or As Required
- Payment Term: 30%T/T Advance + 70% Balance
- Rolling Width: 15m 20m
- Hardness: Soft, 1/4 Hard, 1/2 Hard, 3/4 Hard, Full Hard
- Quality: High Quality Inspection
- Highlight: **AISI Hot Rolled Stainless Steel Coil,
ASTM Hot Rolled Stainless Steel Coil,
Moldable Hot Rolled Stainless Steel Coil**

Product Description

Product Description:

One of the key features of this Stainless Steel Sheet Coil is its customizable length. You can order this coil in any length you need, making it an ideal choice for projects of all sizes.

Another great feature of this Stainless Steel Sheet Coil is its rolling width. You can choose between 15m or 20m, depending on your specific needs. This flexibility allows you to create a custom solution that meets your unique requirements.

When it comes to payment, we offer a 30% T/T advance and 70% balance payment term to make the process as easy and convenient as possible.

The Stainless Steel Sheet Coil is available in a range of widths, from 1000mm to 2000mm, making it easy to find the perfect fit for your project.

Finally, the coil weight can be customized to meet your specific needs. Whether you need a lightweight coil or a heavier one, we can create a solution that works for you.

In addition to 410 Stainless Steel Coil, we also offer a range of other coil options, including Color Coated Steel Coil and 301 Stainless Steel Coil.

Overall, the Stainless Steel Sheet Coil is a versatile and reliable material that is perfect for a wide range of projects. With its customizable length, rolling width, and coil weight, as well as our flexible payment options, it is easy to find a solution that works for you. Contact us today to learn more about this product and how it can benefit your project.

Features:

Product Name: Stainless Steel Sheet Coil

Hardness: Soft, 1/4 Hard, 1/2 Hard, 3/4 Hard, Full Hard

Packing: Standard Export Packing Or As Required

Standard: ASTM, AISI, JIS, DIN

Processing Service: Bending, Decoiling, Punching, Cutting

Width: 1000mm-2000mm

Material: 304 Stainless Steel Coil

Type: Cold Rolled Stainless Steel coil

Applications:

One of the most common applications of this product is in the construction and building industry. The stainless steel sheet coil can be used for roofing, cladding, and walling. The product is durable, rust-resistant, and easy to maintain, making it ideal for external applications. Additionally, the product can be customized to fit specific dimensions, making it suitable for any construction project. The product is also suitable for the automotive industry. The cold-rolled stainless steel coil is perfect for making car parts such as exhaust systems, mufflers, and fuel tanks. The product is strong, corrosion-resistant, and can withstand high temperatures without degrading. Therefore, it is ideal for use in harsh environments.

Another application of the Sheng Quan Stainless Steel Sheet Coil is in the manufacturing industry. The 304 stainless steel coil is ideal for use in the production of kitchen appliances, utensils, and cutlery. The product is easy to clean, resistant to stains, and does not affect the taste of food. Additionally, it is easy to form and shape, making it ideal for various designs.

The product is also suitable for the production of color-coated steel coils. The product can be coated with different colors to meet different customer needs. The color-coated steel coil is ideal for use in the production of building materials such as facades, roofs, and walls. The product is durable, weather-resistant, and provides a decorative finish.

Sheng Quan Stainless Steel Sheet Coil comes with ISO9001:2000 certification, which guarantees the quality and reliability of the product. The minimum order quantity is 1 ton, and the price ranges from USD1500-USD6000. The product is packed in standard export sea-worthy packing and has a delivery time of 5-15 days. Payment terms include L/C, T/T, and Western Union, and the supply ability is 15000

tons. The product comes in different widths, ranging from 1000mm-2000mm, and has a rolling width of 15m-20m. Additionally, the product can be customized to fit specific customer needs, with processing services such as bending, decoiling, punching, and cutting available.

Customization:

Brand Name: Sheng Quan
Model Number: 201/304/304L/316/316L/321/309/310
Place of Origin: China
Certification: ISO9001:2000
Minimum Order Quantity: 1ton
Price: USD1500-USD6000
Packaging Details: Standard Export Sea-Worthy Packing
Delivery Time: 5-15days
Payment Terms: L/C, T/T, Western Union
Supply Ability: 15000Tons
Width: 1000mm-2000mm
Processing Service: Bending, Decoiling, Punching, Cutting
Physical Properties: Good Ductility For Molding Products
Quality: High Quality Inspection
Standard: ASTM, AISI, JIS, DIN
Product Attributes: 304 Stainless Steel Coil, Cold Rolled Stainless Steel coil

FAQ:

A: The brand name is Sheng Quan.
Q: What are the available models for this product?
A: The available models are 201/304/304L/316/316L/321/309/310.
Q: Where is the place of origin of this product?
A: The place of origin is China.
Q: Is this product certified?
A: Yes, it is certified with ISO9001:2000.
Q: What is the minimum order quantity for this product?
A: The minimum order quantity is 1 ton.
Q: What is the price range for this product?
A: The price range is from USD1500 to USD6000.
Q: What are the packaging details for this product?
A: The packaging details are Standard Export Sea-Worthy Packing.
Q: How long is the delivery time for this product?
A: The delivery time is between 5 to 15 days.
Q: What are the payment terms for this product?
A: The payment terms are L/C, T/T, and Western Union.
Q: What is the supply ability for this product?
A: The supply ability is 15000 Tons.
