

Variable Weight Soft Cold Rolled Stainless Steel Coil Color Coated Steel Coil For Molding

Our Product Introduction

Basic Information

- Place of Origin: China
- Brand Name: Sheng Quan
- Certification: ISO9001:2000
- Model Number: 201/304/304L/316/316L/321/309/310
- Minimum Order Quantity: 1ton
- Price: USD1500-USD6000
- Packaging Details: Standard Export Sea-Worthy Packing
- Delivery Time: 5-15days
- Payment Terms: L/C, T/T, Western Union
- Supply Ability: 15000Tons

Product Specification

- Packing: Standard Export Packing Or As Required
- Width: 1000mm-2000mm
- Physical Properties: Good Ductility For Molding Products
- Hardness: Soft, 1/4 Hard, 1/2 Hard, 3/4 Hard, Full Hard
- Rolling Width: 15m 20m
- Coil Weight: Customer Requirements
- Processing: Cold Rolled/Hot Rolled
- Standard: ASTM, AISI, JIS, DIN
- Highlight: **Molding Stainless Steel Coil,
Variable Weight Stainless Steel Coil,
Color Coated Stainless Steel Coil**

Product Description

Product Description:

Our Stainless Steel Sheet Coil meets the ASTM, AISI, JIS, and DIN standards, making it a reliable choice for your projects. It is also subjected to a high-quality inspection process, ensuring that it meets our strict standards for quality.

In addition to its durability and quality, our Stainless Steel Sheet Coil also offers a range of processing services, including bending, decoiling, punching, and cutting, making it a versatile product that can be tailored to your specific needs.

Available in a color-coated option, this Stainless Steel Sheet Coil is perfect for a range of applications, from construction to automotive manufacturing.

Our payment terms are also flexible, with a 30% T/T advance and 70% balance payment option available.

Overall, our Stainless Steel Sheet Coil is a reliable and durable product that offers a range of options to suit your specific needs. Whether you're looking for a high-quality material for your construction project or a versatile product for your automotive manufacturing needs, our Stainless Steel Sheet Coil is the perfect choice.

Features:

Product Name: Stainless Steel Sheet Coil

Payment Term: 30%T/T Advance + 70% Balance

Processing: Cold Rolled/Hot Rolled

Quality: High Quality Inspection

Hardness: Soft, 1/4 Hard, 1/2 Hard, 3/4 Hard, Full Hard

Standard: ASTM, AISI, JIS, DIN

Hot Rolled Stainless Steel Coil

304 Stainless Steel Coil

Color Coated Steel Coil

Applications:

One of the most popular applications for the Sheng Quan Stainless Steel Sheet Coil is in the construction industry. This product is perfect for building facades, roofing systems, and other architectural applications. The 304 Stainless Steel Coil is particularly well-suited for these applications due to its excellent corrosion resistance and durability.

Another common use for the Sheng Quan Stainless Steel Sheet Coil is in the manufacturing industry. This product is ideal for producing a wide range of products including kitchen appliances, automotive parts, and medical equipment. The 316 Stainless Steel Coil is particularly well-suited for these applications due to its excellent corrosion resistance and high-temperature strength.

The Sheng Quan Stainless Steel Sheet Coil is also a popular choice for the oil and gas industry. This product is perfect for use in pipelines, storage tanks, and other applications that require resistance to corrosion and high temperatures. The Hot Rolled Stainless Steel Coil is particularly well-suited for these applications due to its high strength and durability.

Other applications for the Sheng Quan Stainless Steel Sheet Coil include the food and beverage industry, chemical processing, and marine applications. With a minimum order quantity of just 1 ton and a price range of USD 1500-USD 6000, this product is an affordable solution for any project.

The Sheng Quan Stainless Steel Sheet Coil is also easy to transport and store thanks to its standard export sea-worthy packing. With a delivery time of just 5-15 days, you can have your product quickly and efficiently. Payment terms include L/C, T/T, and Western Union, making it easy to purchase this product no matter where you are located.

In addition to its versatility, the Sheng Quan Stainless Steel Sheet Coil also offers excellent physical properties such as good ductility for molding products and a range of hardness options including soft, 1/4 hard, 1/2 hard, 3/4 hard, and full hard. Processing services such as bending, decoiling, punching, and cutting are also available, making it easy to customize this product to your specific needs.

Overall, the Sheng Quan Stainless Steel Sheet Coil is an excellent choice for any project that requires high-quality, durable stainless steel. With its versatility, affordability, and excellent physical properties, this product is sure to meet your needs and exceed your expectations.

Customization:

Choose from the following model numbers: 304 Stainless Steel Coil, 301 Stainless Steel Coil, and 304 Stainless Steel Coil to customize your order.

FAQ:

Q1: What is the brand name of the Stainless Steel Sheet Coil?

A1: The brand name of the Stainless Steel Sheet Coil is Sheng Quan.

Q2: What are the models available for the Stainless Steel Sheet Coil?

A2: The models available for the Stainless Steel Sheet Coil are 201/304/304L/316/316L/321/309/310.

Q3: Where is the place of origin of the Stainless Steel Sheet Coil?

A3: The place of origin of the Stainless Steel Sheet Coil is China.

Q4: What is the certification of the Stainless Steel Sheet Coil?

A4: The Stainless Steel Sheet Coil is certified with ISO9001:2000.

Q5: What is the minimum order quantity for the Stainless Steel Sheet Coil?

A5: The minimum order quantity for the Stainless Steel Sheet Coil is 1 ton.

Q6: What is the price range of the Stainless Steel Sheet Coil?

A6: The price range of the Stainless Steel Sheet Coil is USD1500-USD6000.

Q7: What are the packaging details for the Stainless Steel Sheet Coil?

A7: The packaging details for the Stainless Steel Sheet Coil is Standard Export Sea-Worthy Packing.

Q8: What is the delivery time for the Stainless Steel Sheet Coil?

A8: The delivery time for the Stainless Steel Sheet Coil is 5-15 days.

Q9: What are the payment terms for the Stainless Steel Sheet Coil?

A9: The payment terms for the Stainless Steel Sheet Coil are L/C, T/T, and Western Union.

Q10: What is the supply ability of the Stainless Steel Sheet Coil?

A10: The supply ability of the Stainless Steel Sheet Coil is 15000 tons.
